IMHA REFERRAL DETAILS

Qualifying Patients: This includes detained patients (excluding those subject to sections 4, 5(2), 5(4), 135 and 136), even if they are on leave or conditionally discharged. This also includes patients on s.17A Community Treatment Orders, s.7 Guardianship and informal patients under 18 who are being considered for ECT (for full eligibility, see Chapter 6 of the Mental Health Act 1983, Code of Practice). Patients with capacity must either consent to the referral OR the Responsible Clinician, AMHP or Nearest Relative believe that the patient might benefit from IMHA support but are unable or unlikely, for whatever reason, to request this for themselves. All patients who lack capacity to decide whether or not to obtain help from an IMHA must be referred to the service.

The Patient is a Qualifying Patient
